

About DriveTime

DriveTime is a unique car dealer that specializes in financing and selling used cars to people with less-than-perfect credit. Most other car dealers try to avoid people with poor credit history, but not DriveTime. We do 99% of our own financing at all of our Nevada store locations. This allows us to consider financial aspects that a normal bank or lender would not. All of our Nevada DriveTime stores offer financing on the purchase of your used car and we can almost guarantee that you will be approved!

Our financing is not the only thing that makes us different from most other car dealerships. At our Nevada DriveTime locations, we pride ourselves on having a friendly, knowledgeable staff that makes our stores inviting to every customer. When you experience the DriveTime difference, you will feel like you are part of a family that has your back every step of the way. We do not push you away because you have had a history of poor credit, but instead we encourage you to make your future financial situation better by selecting a vehicle that fits your lifestyle.

With several different locations carrying used cars, Nevada DriveTime has a nice selection of high quality vehicles to offer our customers. We believe that safety and reliability are some of the most important aspects of a vehicle and our staff understands that there are many uncertainties when you purchase a used car and that's why we provide the following:

- Standard 53-Point Inspection: Thorough inspection of all vehicles before they even arrive at the store locations.
- DriveCare® Limited Warranty: Peace of mind offered with the purchase of every vehicle.

There has never been an easier way to find out whether you're approved for a used vehicle. In fact, the entire procedure can be done from the comfort of your own home without having to share any embarrassing credit history with a dealership or bank. Simply visit www.DriveTime.com and complete our short online application. Within just two minutes of completing your application you will know whether you have been approved. The next step will be to stop by one of our convenient Nevada DriveTime locations to speak to one of our staff members about your financial situation and find a used car that you will love.

There is no reason to deal with other dealerships and banks when you can just stop by a Nevada DriveTime location and get financing and a used car all in one place. What are you waiting for? Get to a Nevada DriveTime now!
